

# CHOOSE LIFE LICENSE PLATES FOR VIRGINIA

**Senate Bill 801** has been introduced to the Virginia General Assembly by Senator Ken Cuccinelli. (<http://leg1.state.va.us/cgi-bin/legp504.exe?091+sum+SB801>) Its passage will make “Choose Life” License Plates similar to the one below available to Virginia drivers. This license plate is a clear and colorful pro-life message that travels with you.

Virginia currently offers over 200 special license plates from wildflowers to your favorite college football teams. Why not a plate that expresses the value of human life also?

In 2003, when a similar Choose Life license plate bill was introduced, it passed both houses but **was vetoed by then Governor Mark Warner.**

**We need your help** to make this a reality in 2009.

1. **Fill out and sign the Choose Life Petition** in support of the Virginia General Assembly offering the “Choose Life” license plate.
2. **Complete a “Choose Life” License Plate application and write a \$25 check to the Richmond Coalition for Life in order to own the first Choose Life plates.** A minimum number of pre-paid applications is required to cover the cost of production for the first plates. We must have a significant number of people pre-paying to show support for this bill to ensure its passage. **If the bill does not become a signed law, your money will be returned.**
3. See additional information at [www.VAChoose-Life.org](http://www.VAChoose-Life.org).

**PLEASE HELP BY SIGNING THE PETITION AND IF YOU CAN WRITE A \$25 CHECK TO PRE-PAY FOR YOUR CHOOSE LIFE PLATE TODAY.**

All applications for special license plates must be for active vehicle registrations.
